

**Louisiana Wing
Civil Air Patrol
Academy
Operations Plan
Knowledge-Based Training**

11-13 September 2020

IC: Col Art Scarbrough

Director: Col Mike DuBois

Safety Always

General

- Our goal is to conduct a Safe and Effective weekend of Training for the members of the Louisiana Wing of the Civil Air Patrol.
- The Training will be accomplished in all three of the Civil Air Patrol Missions: Aerospace Education, Cadet Programs and Emergency Services.
- Senior Member Professional Development, Cadet Motivation and Leadership, Flight Crew Operations, Flight Line Operations, Ground Team Operations, Incident Command Systems and Staff Specialties are the subjects to be included in the Louisiana Wing Academy for 2019.
- The success of our Academy hinges on the contribution and participation of each member, so with your enthusiastic help we can make this Academy a great one.
- The academy **skill-based** training for aircrews and ground teams will be held at a regularly scheduled SAREX. You must register for your skill-based training at the same time you register for your knowledge-based training.

Safety

- Safety is our number one goal, and everyone's job.
- All Academy operations will be conducted with Safety in mind. No activities will be conducted that would jeopardize our goal of a safe and successful training weekend session.
- An Operational Risk Management assessment will be conducted by the Academy Safety Officer prior to the beginning of classes.

Cadet Programs

- **NOTE: NO CADET WILL BE ALLOWED TO PARTICIPATE WITHOUT A CAPF 60-80.**
- The Louisiana Wing Training Academy **will not be responsible for the adult supervision of any cadets**. It is the responsibility of the squadron commanders to provide proper adult supervision for their cadets at-all-times.
- The director of cadet programs will appoint a senior member to be responsible for all activities during our stay at the church. The name of the person responsible should be appointed no later than two weeks before and be added to the procedures below.
 - Contact information: Lt Col Ed Junk @ paris611@att.net or 337-326-1349 cell.
 - The senior member responsible for all activities during our stay at the church will be responsible for contacting Lt Col Ed Junk to coordinate the details of our stay.
 - Lt Col Ed Junk and the senior member responsible for all activities will coordinate the details of the church for the weekend.
 - Lt Col Ed Junk will retrieve the key Sunday morning at the academy.
- If any questions arise, refer to the appropriate Civil Air Patrol Regulations.
- Thanks to Lt Col Ed Junk, we do have a place for cadets to stay.
 - Place: First Baptist Church, Lafayette, Square II Gym
 - Address: 1100 Lee Av
 - Units will need to supply their own cots / sleeping bags
 - The only areas allowed access to are the gym floor, bleachers, restrooms and showers.
 - When the members leave the facility on Sunday morning, they are responsible for policing these areas and locking the entrance door.

“Getting the Mission Done Every Time Safely”

- During registration all cadets are required to sign in and show the senior member responsible for them during the academy. A separate sign in sheet will be kept for those staying at the church. This sign in sheet will be scanned and emailed to the Wing Commander and Director of Cadet Programs.
- Cadets are expected to meet all grooming and uniform standards.

Cadet Living Quarters

- Thanks goes to Lt Col Ed Junk and the administrative pastor for their work in coming up with a plan to separate our male and female cadets.
- Addendum A will show you the floor diagram for the following plan to accomplish our goal.
- Female cadets will be staying in the cafeteria room, located in the lower middle of the floor plan.
- The tables, chairs and equipment in the cafeteria room would be moved aside to provide plenty of room for the anticipated number of female cadets to sleep.
- The wall on the left side of the cafeteria room would provide physical separation from the male cadets in the gym.
- One of the double doors at the upper left of the cafeteria would be unlocked to allow access to the gym before lights out.
- After lights out, that door would remain unlocked with a female senior member sleeping at the door.
- If a female senior or female cadet needed to use the restroom, the female senior would escort the female cadet through the unlocked door, through the gym, to the female restroom and back.
- Do not go outside of the building to get to the female restroom.
- The door at the top left of the cafeteria room is an exit door, locked from the outside with an inside push bar for exit.
- The door at the upper right of the cafeteria would be locked to prevent access to the serving room behind the door.
- The door at the lower right of the cafeteria would be locked to prevent access to the library behind the door.
- The door at the bottom right of the cafeteria room is an exit door, locked from the outside with an inside push bar for exit.
- The door at the lower left of the cafeteria would be locked to prevent access to the storage closet behind the door.

Academy Location

South Louisiana Community College (SLCC)
320 Devalcourt Street
Lafayette, LA. 70506

Driving Directions

- **FROM SHREVEPORT:** Take the I-49 South exit to Lafayette, take the I-10 West exit to Exit 100, Ambassador Caffery Blvd (South) to the “Y” continue straight on Bertrand Street (Ambassador Caffery turns to the right) to Devalcourt St. turn right on Devalcourt St. and go 2 blocks. SLCC is on your right.

“Getting the Mission Done Every Time Safely”

- **FROM MONROE:** Take 165 South to Alexandria, take the I-49 South exit to Lafayette, take the I-10 West exit to Exit 100, Ambassador Caffery Blvd (South) to the “Y” continue straight on Bertrand Street (Ambassador Caffery turns to the right) to Devalcourt St. turn right on Devalcourt St. and go 2 blocks. SLCC is on your right.
- **FROM LAKE CHARLES:** Take I-10 East to Exit 100, Ambassador Caffery Blvd (South) to the “Y” continue straight on Bertrand Street (Ambassador Caffery turns to the right) to Devalcourt St. turn right on Devalcourt St. and go 2 blocks. SLCC is on your right.
- **FROM BATON ROUGE / NEW ORLEANS:** Take I-10 West to Exit 100, Ambassador Caffery Blvd (South) to the “Y” continue straight on Bertrand Street (Ambassador Caffery turns to the right) to Devalcourt St. turn right on Devalcourt St. and go 2 blocks. SLCC is on your right.

Inbound Aircraft Instructions

- It is the responsibility of the PIC to contact their local unit FRO for a flight release prior to takeoff. The PIC will ensure a completed **CAPF 104, aircraft inspection, and weight and balance prior to takeoff.** The designated airport is Lafayette Regional and the FBO as listed below:
- Funding for CAP vans or aircraft with two or more members attend the academy for one round trip. No funding for out of wing attendees.
- FBO and location

Signature Aviation
Lafayette Regional Airport
 123 Grissom Dr
 Lafayette, Louisiana, 70508
Phone: (337)234-3100
Fax: (337)272-0260

Ground Transportation Aircraft

- For those of you flying in, ground transportation will be provided by contacting
- **Lt Col Jude Poirier**, Cell: 337-322-0267, e-mail: capmcrunch@att.net
- **Lt Col Ed Junk**, Cell: 337-326-1349, e-mail: paris611@att.net

Ground Transportation POV

- For those driving to the academy in POV please make sure you read and understand CAPR 77-1, Para 1-8 b. If you are going to sign in your vehicle and request reimbursement, then you need to meet the requirements of this paragraph. If you are not going to sign in on the mission and request reimbursement, there is no need to comply. POV must be approved by IC with two or more people attending.
- 1-8 b / Use of POVs for transportation to and from CAP meetings, encampments and other activities is **solely at the risk of the individual CAP members and their passengers. CAP assumes no right of control, liability or responsibility for such transportation.** Unit commanders must approve, in writing, justification for use of a POV as official CAP transportation, when adequate COVs are not available for such purposes. Approval is limited to unusual circumstances where lack of transportation or capability for CAP members adversely impacts important activities.

“Getting the Mission Done Every Time Safely”

Prior to granting such permission, the member must produce evidence of insurance coverage, state inspection (if required) and registration. Written approval for use of a POV will be maintained on file in accordance with CAPR 10-2, Files Maintenance and Records Disposition.

Academy Information

- Academy Director is Col Mike DuBois, CAP. For any general information questions you may have contact him at mduboisca@gmail.com

Academy Courses

- The following is a listing of the **PROPOSED** classes for this Louisiana Wing Academy.
- There is a minimum enrollment of three (3) students per class.
- FEMA courses IS-300 and IS-400 require a minimum of five (5) registrations.
- The actual classes to be given at the Academy will be determined on 28 August 20.
- Members registration will continue after the deadline for those classes selected.
- All classes registration will close 4 September 2020
- Notification of class cancellations will be communicated via mass email and Wing website posting.
- **Every attempt will be made to provide the course each Member requests based on minimum enrollment and assets.**
- Seniors must have completed Level One to attend Academy and pay fees upon registration.

Mission Chaplain

- Mission Chaplain (MC) & Chaplain Support Specialist (CSS) – Senior members only / **Friday night 1700 – Sunday 1200** / The CAP MISSION CHAPLAIN (MC) AND CHAPLAIN SUPPORT SPECIALIST (CSS) EMERGENCY SERVICES TRAINING PROGRAM (inclusive of the program definition, process, curriculum, qualifications, ratings and badges) will be offered as the new training module for those CAP Chaplain Corps personnel (Chaplains/CDIs) who desire further additional training that would prepare them to become a specially trained cadre of individuals who can serve and respond to both the regular duty and mission activities of CAP, as well as an Emergency Services (ES) trained individual able to give full Chaplain Support to advanced level DR/SAR/Natural Disaster/Mass Casualty training activities, as well as, ALL “real-world” DR/SAR/Natural Disaster/Mass Casualty Missions that CAP would be called upon to respond to and support. The completion of this program is what will determine being designated a Mission Chaplain (MC) for Chaplain appointed personnel or a Chaplain Support Specialist (CSS) for CDI appointed personnel. For advanced level, “real-world” DR/SAR/Natural Disaster/Mass Casualty Missions that CAP would be called upon to respond to and support, these trained Chaplain Corps personnel would work together to form the Chaplain Support Team (CST), comprised of one (1) MC and (1) CSS at the CAP Support level, and two (2) MCs and one (1) CSS at the Disaster Support level.

All Chaplains and CDIs wanting to get the advanced training need to have completed the Prerequisite and Familiarization and Preparatory Training found in the Specialty Qualification Training Worksheet (SWTR) and **be approved by your commander in eServices** including the following:

“Getting the Mission Done Every Time Safely”

- General ES test
- ICUT – Both the online course and the hands-on portion - All
- CAPT 117, Part 1, Part 2, Part 3 - All
- Character Development Instruction Technician Rating (CDIs)
- IS 100, IS 200, IS 700 – All
- IS 800 – CDIs

CDIs needing to complete the Technician Rating should contact their group chaplain (or another supervising Chaplain) to sign their checklist found in CAPP 225.

Safety

- Risk Management (1 day) – Cadets and Senior Members

Cadet Programs

- TLC Basic – Training Leaders of Cadets (1 day) – Seniors Only
- TLC Intermediate – Training Leaders of Cadets (1 day) – Seniors Only
- DCC – Deputy Commander for Cadets (1 day) Seniors Only
- ALS – Airman Leadership School (2 days) Cadets Only
- NCOA – Non-Commission Officers Academy (2 days) Cadets Only
- CGC – Color Guard Course – (2 days) Cadets Only
- Camp Curry (2 days) Cadets only

Pre-Requisites for Cadet Students:

New to the Cadet Training and Education Program this year will be pre-requisites for cadets to participate in the Academy. These can be found below.

- To participate in Camp Curry, you must be a registered member of Civil Air Patrol and complete your Physical Fitness test at your HOME SQUADRON.
- To participate in Airman Leadership School, you must have the grade of C/Amn.
- To participate in any Academy training other than ALS or NCOS, you must have previous graduation credit from the class (ALS or NCOS) appropriate to your grade.

Pre-Requisites for Cadet Instructors:

New to the Cadet Training and Education Program this year will be pre-requisites for cadet instructors at the Academy. These can be found below.

- Previous graduation credit of both ALS and NCOS will be required.
- To be an instructor, you must have served as an Assistant Instructor for at least one Academy.
- To be an assistant instructor, if you do not have graduation credit for either ALS or NCOS, you must have graduation credit of at least the class you will be instructing.

Professional Development

“Getting the Mission Done Every Time Safely”

- SLS – Squadron Leadership School (2 days) – Senior Members / **See more information on the course listed below under course materials.**
- CLC – Corporate Learning Course (2 days) – Senior Members / **See more information on the course listed below under course materials. You must complete SLS before you can take CLC.**
- PAO (2 days) – Cadet & Senior Members
- Executing tasks in E Services (1day) – Senior Members – This course is highly recommended for all Squadron Commanders, Squadron PD Officers and Squadron Personnel Officers. The purpose of the course is to make the individual more knowledgeable and proficient in executing the duties they have been assigned to do through classroom and navigation exercises within the CAP e services program.
- Others available upon request. Contact the academy director for more information.

Students registering for Professional Development Courses, i.e., CLC and SLS must be registered in a specialty track prior to academy. Your record at National will not indicate course completion if you do not have a specialty track listed at National. **Your Squadron Commander and/or Professional Development Officer can assist you.**

Aerospace Education (1 day) (One Course including all the following subjects)

- General Aerospace Workshop (1 day) – Cadets and Senior Members

Mission Base Staff

- ICS-300 (2 days) – Cadets and Senior Members
- ICS-400 (2 days) – Cadets and Senior Members
- Review of Mission Base (2 days) – Cadets and Senior Members / **See more information on the course listed below under course materials.**
- Mission staff school is work in progress and we will hopefully have courses to offer during future academies. Meanwhile continue to get your training during monthly unit training, area SAREX's or wing SAREX's.

Aircrew

- Mission Pilot (2.0 days) Knowledge Base – Senior Members and Cadets 18 and over / **Class starts on Friday night at 1700 / See more information on the course listed below under course materials. Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**
- Mission Observer (2.0 days) Knowledge Base – Senior Members and Cadets 18 and over / **Class starts on Friday night at 1700 / See more information on the course listed below under course materials. Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**
- Mission Scanner (2.0 days) Knowledge Base – Senior Members and Cadets 18 and over / **See more information on the course listed below under course materials. Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**
- Mission Photography (2 Days) Knowledge Base – Senior Members and Cadets
“Getting the Mission Done Every Time Safely”

- Mission Photography Refresher Course (1 Day) Knowledge Base – Senior Members and Cadets
- Flight Line Operations (2 days) Knowledge Base – Senior Members and Cadets
- WMIRS (2 days) Knowledge Base – Senior Members and Cadets
- G-1000 / focus on navigation and search function – (2 days) Knowledge Base – Senior Members
- Foreflight (2 days) Knowledge Base – Senior Members
- Introduction to CAP UAS Program (2 day) Senior and Cadets age 16 and over / Limited to first 25 students. **Course Description:** Starting point toward earning your CAP UAS Pilot and/or CAP UAS Technician rating including, SQTR, CAP approved equipment use and maintenance, FAA licensing, understanding the CAP regulation, flight logging, Still photo guidelines and mapping guidelines, photo processing and much more. The course will prepare you for hands-on training and qualification to be completed at a follow-up training session with the intent of earning your CAP Form 5U qualification and/or CAP UAS Technician rating.

Ground Team

- Urban Direction Finding (UDF) (1 day) – Cadets and Senior Members / **See more information on the course listed below under course materials. Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**
- Ground Team Member (2 days) - Cadets and Senior Members / **See more information on the course listed below under course materials. Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**
- Ground Team Leader (2 days) – Cadets and Senior Members / **See more information on the course listed below under course materials. Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**
- Mission Photography & Photo Processor (2 days) – Senior Members and Cadets
- CPR (1 day) – Cadets and Senior Members

Communications

- ICUT (1 day) – Cadets and Senior Members
- Advanced communications are available on request

Uniform

- Any approved CAP uniform will be accepted, and all CAP grooming standards are expected to be complied with.

Cost

- Seniors - \$30.00 Registration
- **Registration fee can be paid online with PayPal or credit card.**
- **If you register the day of the academy, fees will be collected at registration. Payment to be made by checks, credit cards or cash.**
- **If you do not attend, you have 30 days to request your registration back. After 30 days, you forfeit your \$ 30.00.**

“Getting the Mission Done Every Time Safely”

- Cadets - No Charge
- Registration covers administrative cost, class materials, refreshments and copy cost.
- Refreshments – Donuts, coffee and punch will be provided.
- Other assorted refreshments are available by machines on the first floor.
- Lunch on Saturday will be provided by wing. Donations appreciated.
- Saturday dinner will be provided by wing. Donations appreciated
- All other meals will be on your own.

Registration/Enrollment Procedures

- *Academy registration will be completed on-line for course selection and unit commander's approval. CAPF 161 & 60-80 (Cadet Parental Permission). Refer to the Academy Registration instructions and the Course List. **Staff will not keep a copy of your CAPF 161 so all members (seniors & cadets) must always keep a copy on them. No copies of either form will be accepted prior to the academy.***
- If you have any challenges with the registration system, contact Lt Col Rick Lauterbach via email at rlauterbach@cajart.com

Registration Instructions!

- *Prior to starting the on-line registration.....*
- *Refer to the Academy Reference Documents and the Course List*

To Register

- Non-Louisiana Wing member, go to <http://www.lawg.cap.gov> – select Wing Academy
- Access the Academy On-Line Registration from the Academy webpage
- Select "ADD" for a new registration
- Make course selection as follows:
 - Indicate your course preference for your 1st, 2nd and 3rd choice.
- Click “ADD NEW REGISTRATION” when you have finished your course selection.
- Pay academy fees online when prompted with PayPal or credit card.

To Make Changes

- Select “Update” and make your changes and click “UPDATE REGISTRATION”

Other items needed for Academy Check-in

- All attendees are required to show a CAPF 161 at check-in. **You will always be required to have it on your person.**
- Cadets are required to submit a completed with parent's signature CAPF 60-80 at check-in.
- Seniors are to pay any fees at the check-in desk if not pre-paid.
- Squadron Commanders are required to approve attendance and course selection for squadron members & ensure that all cadets have a completed CAPF 60-80

“Getting the Mission Done Every Time Safely”

Course Materials

- Most training material will be provided upon arrival for class. Where listed below, the student is required to bring additional material:

Review of Mission Base

- This is a new course and is designed to take you through the process of setting up and downsizing mission base during a real mission. It will take you through the first call from AFRCC to completing the mission. It will also cover duties and responsibilities of all mission base staff. Your instructor will be in touch on any course material that is needed for the class.

Mission Pilot

- Students must have a copy of their Specialty Qualification Training Record (SQTR) for Mission Pilot with commander's approval for training posted before attending class.
- Task Guides, slides and reference text can be downloaded from the wing website located in the course library.
- For the course library / Go to Wing website / login to member site / select wing academy / course material can be found under academy documents
- While downloading class material, we encourage you to make a copy of the Flight Guide for your use. You can print on half pages and insert your guide in a flight crew checklist folder.
- You will need a current Houston and New Orleans Sectional along with your flight planning gear.
- Class starts on Friday night at 1800.
- **Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**

Mission Observer

- Students must have a copy of their Specialty Qualification Training Record (SQTR) for Mission Observer with commander's signature before attending class.
- Task Guides, slides and reference text can be downloaded from the wing website located in the course library.
- For the course library / Go to Wing website / login to member site / select wing academy / course material can be found under academy documents
- While downloading class material, we encourage you to make a copy of the Flight Guide for your use. You can print on half pages and insert your guide in a flight crew checklist folder.
- You will need a current Houston and New Orleans Sectional along with your flight planning gear.
- Class starts on Friday night at 1800.
- **Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**

“Getting the Mission Done Every Time Safely”

Mission Scanner

- Students must have a copy of their Specialty Qualification Training Record (SQTR) for Mission Scanner with commander's signature before attending class.
- Task Guides, slides and reference text can be downloaded from the wing website located in the course library.
- For the course library / Go to Wing website / login to member site / select wing academy / course material can be found under academy documents
- While downloading class material, we encourage you to make a copy of the Flight Guide for your use. You can print on half pages and insert your guide in a flight crew checklist folder.
- You will also need a current Houston and New Orleans Sectional. If you have any flight planning gear, bring it with you.
- **Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**

Flight Line Management

- Students must have a copy of their Specialty Qualification Training Record (SQTR) for Flight Line Marshaller or Flight Line Supervisor with commander's signature before attending class.
- Task Guides, slides and reference text can be downloaded from the wing website located in the course library.
- For the course library / Go to Wing website / login to member site / select wing academy / course material can be found under academy documents
- While downloading class material, we encourage you to make a copy of the Flight Guide for your use. You can print on half pages and insert your guide in a flight crew checklist folder.
- Only the task guide will be provided. Students are expected to bring with them the required personal equipment required. The List of Personal Equipment is found in the Ground and Urban DF Task Guide, section O-0010 found on the national website.

Urban DF

- Students must have a copy of their Specialty Qualification Training Record (SQTR) for Urban DF with commander's signature before attending class.
- Task Guides, slides and reference text can be downloaded from the wing website located in the course library.
- For the course library / Go to Wing website / login to member site / select wing academy / course material can be found under academy documents
- Only the task guide will be provided. Students are expected to bring with them the required personal equipment required. The List of Personal Equipment is found in the Ground and Urban DF Task Guide, section O-0010 found on the national website.
- **Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**

“Getting the Mission Done Every Time Safely”

Ground Team Member

- Students must have a copy of their Specialty Qualification Training Record (SQTR) for Ground Team Member (1, 2 or 3) with commander's signature before attending class.
- Task Guides, slides and reference text can be downloaded from the wing website located in the course library.
- For the course library / Go to Wing website / login to member site / select wing academy / course material can be found under academy documents
- Only the task guide will be provided. Students are expected to bring with them the required personal equipment required. The List of Personal Equipment is found in the Ground and Urban DF Task Guide, section O-0010 found on the national website.
- **Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**

Ground Team Leader

- Students must have a copy of their Specialty Qualification Training Record (SQTR) for Ground Team Leader with commander's signature before attending class.
- Task Guides, slides and reference text can be downloaded from the wing website located in the course library.
- For the course library / Go to Wing website / login to member site / select wing academy / course material can be found under academy documents
- Only the task guide will be provided. Students are expected to bring with them the required personal equipment required. The List of Personal Equipment is found in the Ground and Urban DF Task Guide, section O-0010 found on the national website.
- **Sorties to complete your training (Skill Based) will be scheduled at the next available Wing SAREX.**
